

# "IT'S VIDALIA SWEET ONION TIME"

## THE AMAZING SECRET OF THE MOUTH-WATERING SWEET VIDALIA ONION

The authentic Vidalia Onion grows only in a small area around Vidalia, Georgia. The mouth watering flavor of the Vidalia Onion can't be reproduced in other areas. The secret of its sweetness isn't just from its special seed stock. Instead, scientists say that the real secret lies in the unique combination of minerals in soil around Vidalia, Georgia.

All efforts to grow sweet Vidalia Onions elsewhere have failed. In fact, by special act of the Georgia Legislature, only onions grown in this small area of southeast Georgia can bear the "Vidalia" name.

Sweet Vidalia Onions are so succulent . . . so sweet and mild that they can be eaten like an apple, with no tears. They're always delicious whether eaten sliced on a hamburger, chopped in a salad or cooked with a roast. You can cook them in aluminum foil with a little soy sauce for a juicy side dish that will outshine your entree. You can even make an onion pie with them!

The reputation of the sweet Vidalia Onion is spreading. Ten years ago, the onions were sold mainly in Georgia. But now, the majority is shipped to other states.

We sell farm-fresh, sweet Vidalia Onions specially selected and packed with loving care.

Included with each bag is a recipe book of sweet Vidalia Onion Recipes and storage secrets.
